Year end reconciliation on appeal amount

On 11/26/2019, Cedar Hill Officers attempted to stop a vehicle for possibly driving while intoxicated as it could not stay in a single lane of traffic in the 500 block of W FM 1382.

The driver of the vehicle initially stopped the vehicle. However, when Officers attempted to

make contact, the driver put the vehicle back into gear and sped away.

The driver led Cedar Hill Officers on a pursuit that ended in an apartment complex in Arlington with the driver of the vehicle fleeing.

With the help of Grand Prairie Officers, the vehi-

cle was located unoccupied in the apartment complex. Cedar Hill Officers then began searching for the driver with the help of Cedar Hill K-9, Buc-ee.

The driver was located and arrested by Cedar Hill Officers for multiple felony drug offenses and weapons charges.
